

The International Year of Family Farming Snapshots in the Australian and Victorian AusVELS curriculum . The English Domain

The language and content of the web snapshots can be used as resources for many of the sub- strand threads and their content descriptions, and especially:

- text structure and organization:

 - purpose audience and structures of different types of texts

 - text cohesion

 - punctuation

 - concepts of print and screen

- Texts in contexts

 - Texts and the context in which they are used

- Interpreting, analyzing and evaluation

 - Purpose and audience

 - Reading process

 - Comprehension strategies

 - Analyzing and evaluating texts
